Scams, Identity Theft and Frauds have always been a problem. With today's poor economy the frequency and "targets" of these scams has gotten much more intense and aggressive. Learn how to identify these issues and protect yourself!

Charles Wickersham, Postal Inspector for the Washington DC division, will be here to present an extremely informative session - discussing the current popular scams and what you can do to protect yourself. After the presentation he will answer questions and be available for "one-on one" discussions.

This is a program that benefits everyone...interesting, informative and may just save you some "heartache" down the road !

\*Charles is the USPS Inspector for the DC area and is aware of the latest scams and involved in the prosecution of the perpetrators.
